

TAMU-CC MARB 2-year course plan for 2020-2022

Subject to change depending on expected enrollments

Spring 2020

| | | |
|-----------|--|-----------------|
| MARB 6312 | Communicating Science Seminar | Bahr |
| MARB 6341 | Evolution and Genomics of Marine Organisms | Portnoy |
| MARB 6590 | Ecology & Evolution of Fishes | Hogan & Portnoy |
| MARB 6590 | Geomicrobiology | Reese |
| MARB 6590 | Global Change | Wetz |

Maymester 2020

| | | |
|-----------|------------------------------------|---------|
| MARB 6590 | Down the River: Red River Drainage | Portnoy |
|-----------|------------------------------------|---------|

Summer 2020

| | | |
|-----------|------------------------------|-------|
| MARB 6590 | Coral Reef Ecology of Belize | Hogan |
|-----------|------------------------------|-------|

Fall 2020

| | | |
|-----------|--------------------------------|--------|
| MARB 6340 | Marine Organisms & Processes | Reese |
| MARB 6590 | Computational Biology | Bird |
| MARB 6408 | Marine Microbial Ecology | Reese |
| MARB 6343 | Oceans and Human Health | Turner |
| MARB 6301 | Coral Reef Conservation Issues | Bahr |

Spring 2021

| | | |
|-----------|--|---------|
| MARB 6312 | Communicating Science Seminar | Bahr |
| MARB 6341 | Evolution and Genomics of Marine Organisms | Portnoy |
| MARB 6590 | Microbial Bioinformatics | Turner |
| MARB 6430 | Marine Plankton | Geist |
| MARB 6590 | *Advanced Environmental Health (cross listed w ESCI) | Seemann |

Maymester 2021

| | | |
|-----------|------------------------------------|---------|
| MARB 6590 | Down the River: Red River Drainage | Portnoy |
| MARB 6590 | *Marine Mammal Field Techniques | Orbach |

Summer 2021

| | | |
|-----------|------------------------------|-------|
| MARB 6590 | Coral Reef Ecology of Belize | Hogan |
|-----------|------------------------------|-------|

Fall 2021

| | | |
|-----------|---------------------------------------|-----------------|
| MARB 6340 | Marine Organisms & Processes | Reese |
| MARB 6590 | Genomics, Proteomics, Bioinformatics | Cammarata |
| MARB 6432 | Ichthyology | Hogan & Portnoy |
| MARB 6590 | *Marine Mammal Ecology & Conservation | Orbach |

Spring 2022

| | | |
|-----------|--|-----------------|
| MARB 6312 | Communicating Science Seminar | Bahr |
| MARB 6341 | Evolution and Genomics of Marine Organisms | Portnoy |
| MARB 6590 | Ecology & Evolution of Fishes | Hogan & Portnoy |
| MARB 6590 | Geomicrobiology | Reese |
| MARB 6590 | Global Change | Wetz |

*Pending approval
